In Jesus time we talked about how Jesus helps us serve one another in love as he Served and and Loved us even to death on the cross. [Jesus said,] “Love each other as I have loved you..” John 15:12.

This week we have been working on the letter R. We have read a couple of radish stories which we enjoyed. Each of the radish stories talked about helping our friends.

We enjoyed creating Leprachaun hats for St. Patrick's Day. We are beginning to get very good at cutting with our scissors. We didn't catch a leprachaun but we thought we might have seen one on the hill behind the playground.

We have been working on making patterns. We have tried ABAB patterns and have been also successful at continuing them. We have created a few of our own. Some of us have also tried making ABB ABB patterns. These were a little harder but we certainly had fun lining up the colorful frogs to create all the patterns.

We all should continue to bring our book baggies in every day. We sometimes do not have enough time to read with everyone everyday but we need to have the books so that we are prepared. At the end of each week we offer a new book to read if your child is interested. The letter books are theirs to keep and do not have to be included in the book baggies.
