

## Friday Follow Up

March 12, 2010

### What's Going On?

We have school spirit! This week we celebrated Lutheran Schools Week. Thank you to everyone who brought in Box Tops, school supplies and toiletries for the homeless shelter in Danbury. You have helped the students at Immanuel Lutheran School live a life of service.

In Math, we are continued learning about shapes with circles and triangles. Circles have no sides, edges or corners while triangles have three of each. Knowing these key characteristics have helped us to identify the shapes no matter their size.

Some of the boys in their "dream jobs"

Jesus Time this week was a little bit different. We focused each day on a different kind of service; service to the church, school, community, country and world. We made bookmarks, read with the 7<sup>th</sup> and 8<sup>th</sup> graders, designed a banner of ways we could serve the school and made Easter cards for our soldiers. All of this was in addition to the toiletries we collected for the Danbury homeless center and the school supplies for the children affected by the earthquake disaster in Haiti. We learned that there are many ways to lead a life of service.

We have been working on some more lowercase letters in handwriting including the letters "a" and "d". We also wrote a class letter to our friend Daniel. We sure miss him and hope he is having a great time in California!

On Tuesday we read books with our 7<sup>th</sup> and 8<sup>th</sup> grade friends. We all had such a good time!

We can't wait to see you all on Sunday for our 10:45am worship service to end Lutheran Schools Week. We have been working hard on the song "Come, Come, Everybody Worship" and can't wait to sign it for you!

### What's Coming Up?

- Our casual picture day and casual dress day has been rescheduled for March 18th.
- Sunday is our 10:45am worship service. It is a mandatory attendance day. Make sure you say hi to one of your teachers so we know you were there!
- Saturday March 13<sup>th</sup> is the ILS Pasta-bilities dinner and talent show. Come support our school and students! Dinner begins at 6:15pm followed by the talent show in the chapel. Sorry but no walk-ins for dinner so please make reservations.
- There is an open house on Saturday from 9am-12 noon. Please let your

friends, family or anyone interested in our school know!

### Reminders

- **ILS Yearbooks are on sale for \$25.** Do you have pictures from school events you would like to send to the yearbook committee? Send them to [yearbook@immanueldanbury.org](mailto:yearbook@immanueldanbury.org)
- Looking for a fun after school activity? Join the track team! Practices are Mondays and Wednesdays after school starting March 22<sup>nd</sup>. There are only four track meets. Come be part of the team! Registration forms are available in the office.
- If you chose to participate in the Math-a-thon, please return your collection envelope by next Thursday, March 18<sup>th</sup>.
- No school next Friday, March 19<sup>th</sup>.
- Monday is Library day. Don't forget your books!

### HAVE A GREAT WEEKEND!

Congratulations to Charlie Curtis! He was the student of the week for this week!
