

## Three year olds ~ Goals and Objectives

The children will:

- Enjoy learning
- Learn socialization skills (playing together and sharing)
- Show Christian love and concern for others
- Gain independence and learn self-discipline
- Learn to follow directions
- Improve large motor skills and small muscles skills
- Learn responsibility for themselves (clean up, organizing to go home)
- Trace name and letters
- Work with problem solving, positional terms, math manipulatives
- Identify colors and shapes, introduce numbers, and alphabet
- Work with time relations, weather, visual discrimination, body parts, and visual motor skills.
- Experience a variety of art and cooking activities.
- Gain a positive self-image through positive reinforcement.
- Grow in the knowledge that they are God's special child and that they are loved.

The daily religion lessons are from the "One in Christ" Preschool Program from Concordia Publishing.
